EXPERIENCE

Coleman SiteWorks

Highland Park, IL

Founder & CEO

January 2026 – Present

- Founded and operate a web development and AI technology company delivering custom websites and AI-powered receptionist solutions to clients across Illinois.
- Build fully custom, mobile-responsive websites at a flat-rate model — managing design, copywriting, contact integrations, and revisions end to end with zero outsourcing.
- Deploy AI receptionist products that automate client communication, enabling businesses to capture leads 24/7 without additional staffing.
- Manage all client relationships, sales pipeline, and delivery personally — building a reputation for speed, transparency, and quality.

Back in Range (Nonprofit)

Illinois

President & Co-Founder

November 2024 – Present

- Co-founded a nonprofit supporting children and families living with Type 1 Diabetes; lead strategic vision, operations, community outreach, and fundraising.
- Build partnerships with community stakeholders to develop support networks and awareness campaigns, expanding reach across Illinois.

Finish Strong

Chicago, IL

Youth Basketball & Football Coach

August 2024 – Present

- Design and lead structured practices for youth athletes, emphasizing skill development, teamwork, discipline, and personal growth.
- Mentor young players in leadership and competitive mindset, reinforcing values of consistency and effort on and off the field.

LEADERSHIP & ACTIVITIES

Entrepreneur of Impact — Colossal Management / DTCare

March 2026

- Selected nationally to compete in a public-vote business competition benefiting GENYOUth; represent entrepreneurial impact on a national stage.

Illinois DECA — Sports & Entertainment Marketing

2024 – Present

- Ranked 1st Place at the District level and Top 10 at the Illinois State Career Development Conference in a research-based strategic marketing written event.

Youth Economy Lab

January 2026 – Present

- Member of a student-led community focused on economics, research, and social impact; published work distributed internationally.
